

BITSAT TEST SERIES 2026 - PHODU CLUB!

Dear Phodu Clubmates💜 ,

Welcome to the ultimate test series by Phodu Club! This is truly one of the best decisions you've made in your journey. We understand how tough this path has been, but from now on, if you work hard with us, success is guaranteed. We believe in you more than anyone else does!

Phodu Club's test series is the most relevant and well-structured test series you will find for BITSAT. As you know, BITSAT is an unpredictable exam, so you must attempt as many mock tests as possible before the actual exam to familiarise yourself with the pattern. Each test in the Phodu Club test series offers a different experience and variation, which will effectively prepare you for BITSAT.

The schedule of full length mock tests is given below.

Together, we will crack BITSAT and achieve the ultimate dream of making it to BITS Pilani!
